The Accident to the Persia.

New York, September 18.
A gentleman who came as passenger on the

royal mail steamship Persia, describes the storm in which the Persia was disabled as

most terrific. Her crank-pin was broken on

Monday evening about ten o'clock. She lay

to until the next afternoon, in hopes the storm would abate so that she could repair, but

finding no improvement in the weather, it was decided to put back to Cork. After proceeding

in that direction one hundred miles, the weather moderated, the breakage was repaired,

and the steamer put about again; when reach ing again the same latitude in which the dis-

aster occurred, the Persia encountered a storm

more terrific than the first one, but she

plowed her way through uninjured, except

SHOOTING MATCH .- Capt. Travis, the crack pistol-shot of America, has challenged the Audubon Club to furnish a man to shoot a pigeon match with him during the Illinois Fair—the Captain to use a pistol, and his opponent a fowling-piece. The match has been accepted and a forfeit deposited. The particulars are as follows: Abbey, twentyfive birds, twenty-five yards rise and fifteen fall: Travis, with pistol and single ball, twenty birds, ten yards rise and fifteen fall.

THE TEXAS INDIANS .- The Commissioner of the General Land Office has received official information from Superintendent Neighbors, announcing that the Caddo Indians, lately removed from Texas, had arrived safely on their new reservation, west of the Cherokee country. | brought to this port.
